Racial and Ethnic Balance #2

The Language Academy of Sacramento will implement a student recruitment strategy that includes, but is not necessarily limited to, the following strategies to ensure a racial and ethnic balance among students that is reflective of SCUSD's demographics:

- An enrollment process that is scheduled and adopted to include a timeline that allows for a broad-based recruiting and application process.
- The development of promotional and informational material that appeals to all of the various racial and ethnic groups represented in SCUSD.
- The appropriate development of promotional and informational materials in languages other than English to appeal to limited English proficient populations.
- The distribution of promotional and informational materials to a broad variety of community groups and agencies that serve the various racial, ethnic, and interest groups represented in SCUSD.
- Focused recruitment of groups in which we are underrepresented, using brochures, public meetings, and other venues.
- Outreach meetings in several areas of SCUSD to reach prospective students and parents.
