Parent Council: The Parent Council met on Thursday, January 16th. The following reflects agenda items reviewed during the November meeting:

Box Tops:

Michelle Peña, the Box Tops coordinator, gave an update on the new changes for Box Tops. The Box Tops program, which is a program from General Mills Company that offers money incentives for school when buying their products, is now in a transition phase. Box Tops program has started an APP to eventually discontinue the cut-out option to earn points that become money for our school.

Academic Update: Summative ELPAC "What's New?"

Summative ELPAC window starts on February 24th, with an approximate 238 students to be testes ranging from TK-8th grade. ELPAC measures how well students understand English when English is not the language they speak at home. The four areas that are evaluated are listening, speaking, reading and writing. This year the student's voice will be recorded as part of their Speaking test. We have given our parents the opportunity to have their child opt-out of having their voice recorded and we will be sending an opt-out slip they can fill out.

2020-2021 School Calendar:

The 2020-2021 School Calendar was presented to the group. Although the calendar is not finalized yet, information was given as to the possible changes in start date, holiday break and/or end of the year date in order to allow for the construction updates on our campus.

Finance Report:

Concilio de padres: El concilio de padres se reunió el jueves 16 de enero. Lo siguiente refleja los artículos que se repasaron durante la reunión de enero:

Box Tops:

Michelle Peña, la coordinadora del programa de Box Tops, dio una actualización sobre los nuevos cambios de dicho programa. El programa de Box Tops, ofrecido por la compañía de General Mills ofrece dinero como incentivo para la escuela por comprar sus productos. El programa ha entrado en una nueva fase de utilizar un App que eventualmente reemplazara los recortes usados anteriormente. Los recortes acumulan puntos que luego se convierten en dinero.

Actualización Académica: ¿Qué hay de nuevo en el ELPAC Sumativo? La ventanilla para los exámenes del ELPAC comienza el 24 de febrero, con aproximadamente 238 estudiantes de grados TK-8vo que tomaran dicho examen. ELPAC es el examen que se usa para medir qué tan bien los estudiantes entienden el inglés cuando este no es el idioma que hablan en casa. Las cuatro áreas que se evalúan es el escuchar, hablar, leer y escribir. Este año la voz de los estudiantes será grabada como parte de la sección de hablar del programa. Le vamos a dar la oportunidad a los padres para a los padres para que la voz de sus estudiantes no sean grabados. Estaremos mandando una notificación a casa para que tengan esa opción.

Calendario Escolar 2020-2021:

El calendario escolar proyectado para el 2020-2021 fue presentado al grupo. El calendario aun no a sido finalizado pero fue presentado con los posibles cambios en las fechas para comenzar el año, las fechas vacaciones, y la fecha del final del año escolar. El plan es tener suficiente tiempo para la construcción de mejoramiento del plantel.

Information:

The State Seal of Biliteracy (SSB) program, effective since January 1, 2012, recognizes high school graduates who have attained a high level of proficiency in speaking, reading, and writing one or more languages in addition to English (California *Education Code* sections 51460–64). The attached flyer how high school students in California obtain the SSB.

In addition to the High School Seal, awards can be provided for students along the path toward attainment. Some examples of critical points along the path within the context of LAS might include:

- As students enter kindergarten or transitional kindergarten and begin Stage 1 of biliteracy.
- As students enter 4th grade and begin Stage 2 of biliteracy
- As students enter 7th grade and begin Stage 3 of biliteracy
- As students end Stage 3
- AP Spanish Language Practice Test achievement level
- PSAT practice test achievement level
- Redesignation

School leadership, board members and members of the Curriculum Design Team will engage in further conversations with experts at the Sacramento County Office of Education and California Department of Education levels regarding the development of a pathway process at LAS.

PUBLIC NOTICE

Date: October 22, 2019

To:

- (1) Parents or guardians of children attending Language Academy of Sacramento, 2850 49th Street, Sacramento, CA 95817.
- (2) Addresses within a 1,000 foot radius of the proposed internal combustion (IC) engine located at 4949 Broadway, Sacramento, CA 95820

Subject:

Regarding the permit application from California Department of General Services (DGS), to install a standby internal combustion engine that would emit diesel particulate matter, which is designated as a toxic air contaminant by the California Air Resources Board (CARB).

Who is the SMAQMD?

The Sacramento Metropolitan Air Quality Management District (SMAQMD) is the local government agency that regulates stationary sources of air pollution such as manufacturing facilities, industrial sites, coating operations, gasoline stations and many others. The SMAQMD evaluates the air emissions from each project prior to approving a permit. SMAQMD's purpose is to ensure that the air emissions associated with a project meet all local, state and federal requirements in order to protect public health.

Why are you Receiving this Notice?

State law ⁽¹⁾ requires that prior to approving an Authority to Construct permit for a facility that 1) emits toxic air contaminants and 2) is located within 1,000 feet of a K-12 school site, the SMAQMD must notify the parents or guardians of children attending all schools within a quarter-mile radius and all addresses within a 1,000-feet radius of the facility. SMAQMD must allow for a 30-day public review and comment period before taking final action on the permit application.

Background

SMAQMD has received an application from California Department of General Services for an Authority to Construct permit for an emergency use IC engine.

The location has been determined to be within 1,000 feet from the outer boundary of **Language Academy of Sacramento**. CARB has identified the diesel particulates from a diesel fueled IC engine exhaust as a toxic air contaminant.

Proposed Project

California Department of General Services proposes to install an emergency use IC engine at **4949 Broadway, Sacramento, CA**. The IC engine will provide backup power for an office building during emergency use. The emergency use IC engine will operate 1) for maintenance & testing and 2) when utility electricity fails and can no longer support the equipment electrical load. The proposed emergency use IC engine will be limited to operate 50 hours/year for maintenance and testing purposes and 200 hours/year combined for maintenance, testing and emergency use purposes. The engine will not run for maintenance during school hours.

Project Analysis

The SMAQMD analyzed the project for compliance with applicable air quality regulations. The analysis identified the amount and types of air emissions that are expected to be emitted from the proposed project and the effect of those air emissions on public health. The SMAQMD has determined that the health risk resulting from the toxic air contaminant emissions from the proposed project are within acceptable levels and that the project is expected to comply with all other local, state and federal air quality requirements.

The district's engineering evaluation and proposed permit can be reviewed at www.airquality.org/About-Us/News-Notices. All comments received during this 30-day period that pertain to areas for which the SMAQMD has jurisdiction will be reviewed and considered by SMAQMD before a final decision is made on this application for an Authority to Construct permit. As required, SMAQMD will include written responses to the comments in the permit application file.

AVISO PÚBLICO

Date:

22 de octubre de 2019

To:

- (1) Padres o tutores de niños que asisten a la Escuela Language Academy of Sacramento, 2850 49th Street, Sacramento, CA 95817
- (2) Direcciones que se encuentran dentro de un radio de 1.000 pies de un motor de diesel localizado en 4949 Broadway, Sacramento, CA 95820

Tema:

En relación con la petición de permiso por parte de California Department of General Services (DGS), para instalar y operar un motor de diésel que podera un generador electrico para emergencias. El motor diesel emite material particulado, el cual ha sido clasificado como un contaminante tóxico por el departamento de recursos de aire del Estado de California (California Air Resources Board, CARB).

¿Quién es el SMAQMD?

El Distrito para la Administración de la Calidad del Aire de la Zona Metropolitana de Sacramento (Sacramento Metropolitan Air Quality Management District, SMAQMD) es una agencia local que regula fuentes inmóviles de contaminación del aire tales como fábricas, plantas industriales, operaciones de pintura, estaciones de gasolina y muchas más. El SMAQMD evalúa las emisiones de cada proyecto antes de otorgar un permiso definitivo. Nuestro trabajo es garantizar que las emisiones asociadas con un proyecto reúnan todos los requisitos federales, estatales y locales para proteger la salud pública.

¿Por qué está usted recibiendo este aviso? La ley estatal⁽¹⁾ requiere que antes de otorgar un permiso para construir una instalación que (1) emitirá contaminantes tóxicos al aire y (2) estará situada a menos de 1,000 pies de un establecimiento escolar K-12, el SMAQMD debe notificar a los padres y tutores de los niños que asisten a todas las escuelas dentro de un radio de 1/4 de milla y a todas las direcciones dentro de un radio de 1,000 pies de la instalación. El público tiene un período de 30 días para revisar y comentar sobre el proyecto que se está proponiendo antes de que el SMAQMD tome una decisión final con respecto a la petición de permiso.

Antecedentes

El SMAQMD ha recibido una aplicación por parte de California Department of General Services para instalar y operar, un motor de diésel que podera un generador electrico para emergencias. El motor de diesel estará localizado dentro de 1,000 pies donde se ubican la escuela Language Acedemy of Sacramento. CARB ha identificado las partículas de diesel como un contaminante tóxico.

Proyecto propuesto

California Department of General Services se propone instalar un motor de diésel localizado al **4949 Broadway, Sacramento, CA**. El uso del motor de emergencia operará 1) para el mantenimiento y la prueba del motor y 2) cuando la electricidad de la utilidad falla y ya no puede soportar la carga eléctrica. El uso del motor IC de emergencia propuesto se limita a operar 50 horas / año con fines de prueba y mantenimiento y 200 horas / año combinado con fines de mantenimiento , pruebas y uso de emergencia . El motor no funcionará para el mantenimiento durante el horario escolar.

Análisis del proyecto

El SMAQMD analizó el proyecto con respecto a conformidad con las leyes y reglas de calidad del aire. El análisis identificó la cantidad y los tipos de emisiones que se espera que sean emitidas por el proyecto propuesto y el efecto de esas emisiones en el ambiente circundante. El SMAQMD ha determinado que el aumento en riesgos de salud, como resultado de las emisiones tóxicas del proyecto propuesto está dentro de los niveles aceptables y se anticipa que el proyecto va a cumplir con el resto de los requisitos locales, estatales, y federales.

- A prepaid is an expense that was covered in the current year for supplies or services in the subsequent year

Audit Summary

- Supplies were charged to prepaid expenses despite being paid for and received within the current fiscal year
- Each year, EdTec will provide a second layer of review on expenses that could qualify as prepaids in order to ensure they are being booked to the correct fiscal year
- Certain invoices received after the fiscal year were not accounted for during the accrual process

Report on the Financial Statements

We have audited the accompanying financial statements of The Language Academy of Sacramento (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses and cash flows for the fiscal year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1. ORGANIZATION AND MISSION

The Language Academy of Sacramento (Organization) is a non-profit public benefit corporation. The Organization was petitioned and approved through the Sacramento City Unified School District for a five-year period ending on June 30, 2024. The Organization was incorporated in the State of California on December 17, 2003.

The Organization commenced operations during the 2004-2005 fiscal year and currently serves approximately 582 students in Kindergarten through Grade 8. The Organization is a two-way Spanish immersion charter school offering educational programs which develop high academic achievement, bilingualism and bi-literacy, multi-cultural competence, social responsibility, background knowledge, experiential learning, and home and school partnership.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Statement Presentation

In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-14, Not for Profit Entities (Topic 958), *Presentation of Financial Statements of Not-for-Profit Entities*, which the Organization adopted as of the beginning of the fiscal year ended June 30, 2019, the Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions

Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The Board has designated none of these net assets for operating reserves and future program development.

Net assets with donor restrictions

Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. As of Jun 30, 2019, the Organization had \$274,298 in net assets with donor restrictions.

Accounting Method – Basis of Accounting

The financial statements were prepared in accordance with accounting principles generally accepted in the United States of America as applicable to not-for-profit organizations. Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported on the financial statements. The Organization uses the accrual basis of accounting, under which revenues are recognized when they are earned and expenditures are recognized in the accounting period in which the liability is incurred.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

The Organization is exempt from income taxes under Internal Revenue Code Section 501(c)(3). It is, however, subject to income taxes from activities unrelated to its tax-exempt purpose. The Organization uses the same accounting methods for tax and financial reporting.

Generally accepted accounting principles (GAAP) provides accounting and disclosure guidance about positions taken by an entity in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Organization's returns are subject to examination by federal and state taxing authorities, generally for three years and four years, respectively, after they are filed.

Cash and Cash Equivalents

Cash and cash equivalents are from time to time variously composed of cash on hand and liquid investments with original maturities of three months or less. At June 30, 2019, the Organization had no cash equivalents.

Fixed Assets

Fixed assets are recorded at cost and depreciated under the straight-line method over their estimated useful lives of 3 years. Repair and maintenance costs, which do not extend the useful lives of the asset, are charged to expense. The cost of assets, sold or retired, and related amounts of accumulated depreciation are eliminated from the accounts in the year of disposal, and any resulting gain or loss is included in the earnings. Management has elected to capitalize and depreciate all assets costing \$5,000 or more; all other assets are charged to expense in the year incurred.

Revenue Sources and Recognition

The Organization primarily receives funds from the California Department of Education (CDE). Revenue limit sources received from the CDE are determined based on the Organization's average daily attendance (ADA) of students and recognized in the period the ADA occurs.

In addition, the Organization receives federal, state and local revenues for the enhancement of various educational programs. This assistance is generally received based on applications submitted to and approved by various granting agencies.

The Organization recognizes federal revenue to the extent that eligible expenditures have been incurred.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Sources and Recognition (continued)

Revenue that is restricted is recorded as an increase in net assets without restrictions if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restrictions.

Functional Allocation of Expenses

The costs of providing the program services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program services based on employees' time incurred and management's estimates of the usage of resources.

New Accounting Pronouncements

In February 2016, the FASB issued Accounting Standards Update (ASU) 2016-02, *Leases* (Topic 842). Topic 842 requires a lessee to recognize a lease asset representing its right to use the underlying asset for the lease term, and a lease liability for the present value of payments to be made to lessor, on its statement of financial position for all leases greater than 12 months. In November 2019, the FASB issued ASU 2019-10, *Financial Instruments-Credit Losses, Derivatives and Hedging, and Leases*, which deferred the effective date of Topic 842 until fiscal years beginning after December 15, 2020, and interim periods within fiscal years beginning after December 31, 2021. Although the full impact of this new guidance on the Organization's financial statements has not yet been determined, the future adoption of this guidance will require the Organization to record assets and liabilities on its statement of financial position relating to facility and other leases currently being accounted for as operating leases (See Note 8).

In August 2016, The FASB issued ASU No. 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities* (ASU 2016-14). ASU 2016-14 change presentation and disclosure requirements for not-for-profit entities to provide more relevant information about their resources (and the changes in those resources) to donors, grantors, creditors, and other users. These include qualitative and quantitative requirements in the following areas: (1) net asset classes; (2) investment return; (3) expenses; (4) liquidity and availability of resources; and (5) presentation of operating cash flows. ASU 2016-14 became effective for annual financial statements issued for fiscal years beginning after December 15, 2017, and for interim periods within fiscal years beginning after December 15, 2018. The Organization adopted ASU 2016-14 during the fiscal year ended June 30, 2019. The following shows the effects of adoption of this new standard on the Organization's presentation of net assets:

7. LOAN PAYABLE

Prop 1D Loan

In 2011, the Organization applied to the Prop 1D Bond Program through the State Allocation Board and California School Finance Authority for both rehabilitation work and new construction at its current site of operations. The application was subsequently approved and between 2012 and 2015, the Organization was apportioned and received a total of \$11,533,532 in funding. The structure of the Prop 1D Program is to provide 50% of the final approved project costs in the form of a grant and 50% in the form of a lease or long-term loan. Estimating that its final project is to be certified at \$9,600,000, the Organization recognized \$4,800,000 of the \$11,533,532 as earned revenues, \$966,766 as deferred revenues, and \$5,766,766 recognized as a long-term loan liability. Once the project is officially certified, the Organization anticipates that the deferred unearned revenues will be due immediately back to the State, along with any excess funds loaned to the school.

The long-term loan is to be repaid over 30 years at an interest rate no less than 2%. The interest rate was set using the lower of the rate paid on funds in the Pooled Money Investment Account as of the date of disbursement of the funding or at a rate equal to 50 percent of the interest rate paid by the state on the most recent sale of state general obligation bonds, and the interest rate was computed according to the true interest cost method, as stated in the California Education Code, Section 17078.57. The loan is secured by the Organization's future state apportionments. The long-term loan has an anticipated maturity date of May 2044.

Future principal payments on the loan are as follows:

| Year Ending | | | |
|-------------|-----------------|-----------------|-----------------|
| June 30, | Principal | Interest | Total |

Plan Description and Funding Policy

STRS

Plan Description

EMPLOYEE RETIREMENT SYSTEMS (continued)

Plan Description and Funding Policy (continued)

value of accumulated plan benefits is \$374.4 billion, contributions from all employers totaled \$4.7 billion and the plan is 64.0% funded. The Organization did not contribute more than 5% of the total contributions to the plan.

Copies of the STRS annual financial reports may be obtained from STRS, 7667 Folsom Boulevard, Oakland, CA 95826 and www.calstrs.com.

Funding Policy

Active plan members are required to contribute 10.20% of their salary and the Organization is required to contribute an actuarially determined rate. The actuarial methods and assumptions used for determining the rate are those adopted by the STRS Teachers' Retirement Board. The required employer contribution rate for fiscal year 2018-2019 was 16.28% of annual payroll. The contribution requirements of the plan members are established by state statute. The Organization's contributions to STRS for the fiscal year ending June 30, 2019, were \$371,622 and equal 100% of the required contributions for the year.

10. JOINT POWERS AGREEMENT

The Organization entered into a Joint Powers Agreement (JPA) known as the "California Charter Schools Association Joint Powers Authority (CCSA-JPA)," a self-insurance plan for workers' compensation, property/casualty, and school board liability insurance. The CCSA-JPA is governed by a board consisting of a representative from each member organization. The board controls the operation of the CCSA-JPA including selection of management and approval of operating budgets, independent of any influence by the member organizations beyond their representation on the board. Each member organization pays a premium commensurate with the level of coverage requested and share surpluses and deficits proportionate to their participation in the CCSA-JPA. The CCSA-JPA is a separate entity which is audited by an independent accounting firm. The Organization paid the CCSA-JPA \$49,742 in insurance premiums during the year ended June 30, 2019.

11. LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Organization manages its cash available to meet general expenditures following three guiding principles:

- Operating with a prudent range of financial soundness and stability,
- Maintaining adequate liquid assets, and
- Maintaining sufficient reserves to provide reasonable assurance that long term grant commitments and obligations under endowments with donor restrictions and quasiendowments that support mission fulfillment with continue to be met, ensuring the sustainability of the Organization.

| Proposition 39 - California Clean Energy Jobs Act | \$ 274,298 |
|---|---------------|
| Total net assets with donor restrictions | \$ 274,298 |

13. COMMITMENTS AND CONTINGENCIES

State Allowances, Awards, and Grants

The Organization has received state funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate expenditure disallowances under terms of the grants, management believes that any required reimbursement will not be material.

14. SUBSEQUENT EVENTS

The Organization's management has evaluated events or transactions that may occur for potential recognition or disclosure in the financial statements from the balance sheet date through December 16, 2019, which is the date the financial statements were available to be issued. OTHER INDEPENDENT AUDITOR'S REPORTS

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors The Language Academy of Sacramento Sacramento, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The Language Academy of Sacramento (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 16, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered The Language Academy of Sacramento's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of The Language Academy of Sacramento's internal control. Accordingly, we do not express an opinion on the effectiveness of The Language Academy of Sacramento's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in internal control to be a significant deficiency:

Lack of proper review and approval of year-end accruals exposed the Organization to significant risk of material misstatement of the financial statements. The Language Academy of Sacramento's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The Language Academy of Sacramento's response was not subjected to the auditing procedures applied in the audit of the financial statements, and accordingly, we express no opinion on it.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Language Academy of Sacramento's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the State's Audit Guide, 2018-19 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a state program occurred. An audit includes examining, on a test basis, evidence about The Language Academy of Sacramento's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each state program. However, our audit does not provide a legal determination of The Language Academy of Sacramento's compliance. In connection with the audit referred to above, we selected transactions and records to determine the Organization's compliance with the state laws and regulations applicable to the following items:

Background:

In 2010, the Language Academy of Sacramento applied for a grant/loan through the Office of Public School Construction (OPSC). In spring of 2013, LAS was awarded two grants in the amount of 1.5 million and 9.7 million. Funding was a total state share of 50% and Charter School Share of 50%. The project was completed and closed in fall of 2017.

The Office of General Services conducted its final audit in fall of 2019 and determined that the smaller project of 1.5 million had a cost savings of 11K. As such, LAS will return the determined amount to the Charter School Facilities Program.

Financial Impact

LAS was aware of the savings and had appropriately accrued debt and cash flow. As such, there is no negative impact to LAS' financial statements.

Summary:

Committee: School Leadership

Since November 1988, state law has required all public schools receiving state funding to prepare and distribute a SARC. A similar requirement is also contained in the federal Elementary and Secondary Education Act (ESEA). The purpose of the report card is to provide parents and the community with important information about each public school. A SARC can be an effective way for a school to report on its progress in achieving goals. The public may also use a SARC to evaluate and compare schools on a variety of indicators.

Although there is great variation in the design of school report cards, they generally begin with a profile that provides background information about the school and its students. The profile usually summarizes the school's mission, goals, and accomplishments. State law requires that the SARC contain all of the following:

- o Demographic data
- School safety and climate for learning information
- Academic data
- School completion rates
- o Class sizes
- Teacher and staff information
- o Curriculum and instruction descriptions
- Postsecondary preparation information
- Fiscal and expenditure date

Recommendation:

It is recommended that the Board review and approve the attached SARC draft.

Resumen:

Desde noviembre de 1988, la ley estatal ha requerido que todas la escuelas publicas que reciban fondos estatales preparen y distribuyan un reporte de progreso de responsabilidad escolar (SARC por sus siglas en ingles). Un requisito similar también esta incluido en el acta federal de educación primaria y secundaria (ESEA por sus siglas en ingles). El propósito de esta reporte de progreso es de darle a los padres y la comunidad información importante sobre cada escuela publica. Un SARC puede ser una madera efectiva de que las escuelas demuestren el progreso hecho hacia sus metas. El publico también puede usar SARC para evaluar y comparar las escuelas en una variedad de indicadores.

Aunque hay gran variación entre los diseños de los reportes de progreso, generalmente comienzan con un perfil que presenta información básica sobre la escuela y sus estudiantes. El perfil usualmente da un resumen de la misión, metas y logros de la escuela. La ley estatal requiere que el SARC contenga los siguientes:

- Información demográfica
- Información sobre la seguridad escolar y el clima de aprendizaje
- Información académica
- Tasas de finalización
- Tamaños de las clases
- Información sobre los maestros y el personal
- Descripciones del curriculum y la instrucción
- Preparación para después de la secundaria
- Tasa fiscal y de gastos

School Accountability Report Card Reported Using Data from the 2018—19 School Year

California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dg.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019—20)

VISION STATEMENT

The LAS vision is to provide an exceptional Spanish-English bilingual education for all students. MISSION STATEMENT

The LAS mission is to create a learning environment where students: 1) Utilize bilingualism and biliteracy (Spanish and English) to achieve academic excellence and apply skills in real-world situations and diverse settings (BILITERACY); 2) Develop and exhibit positive self-esteem, pride, confidence, and respect for themselves and others (CONFIDENCE AND LIFE SKILLS); and, 3) Demonstrate leadership skills in order to build bridges between communities and apply critical thinking skills to solve problems, promote social justice, and create change in society (LEADERSHIP AND CRITICAL THINKING).

HISTORY/BACKGROUND

The origins of LAS began at Fruit Ridge Elementary School in 1995, over twenty years ago. Fueled by the desire to address the academic needs of marginalized students, particularly English Learners (ELs), a community of parents and teachers structured a program strand where students, by choice, could learn to become bilingual and biliterate in both Spanish and English. The K-5 Two-Way Spanish Immersion (TWSI) Program existed as a strand at Fruit Ridge Elementary before converting to a K-8 independent charter school.

In the spring of 2001, a group of parents and teachers within the Fruit Ridge Elementary: Two-Way Spanish Immersion Program began to organize and discuss the possibility of creating a charter school. This group eventually became the Charter Development Team, and focused specifically on the two-way Spanish immersion program strand at the site.

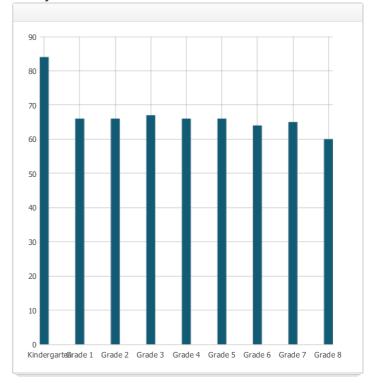

In the subsequent eighteen months, the Charter Development Team worked diligently to research and design a blueprint for an exemplary TWSI charter school. They collaborated with various advocacy organizations for support: the Bilingual/Multicultural Education Department (BMED) at California State University Sacramento, Area Congregations Together (ACT), Sacramento City Teachers Association (SCTA), Charter Schools Development Center (CSDC), California Association for Bilingual Educators (CABE), California Department of Education (CDE) Language Policy and Leadership Department, and the Center for Applied Linguistics (CAL) in Washington, D.C.

In 2003, the Charter Development Team received a \$450,000 start-up grant issued by the State of California. Over the course of the following year, the Charter Development Team researched, wrote, and submitted a petition to the Sacramento City Unified School District to create an independent charter school. ORIGINAL CHARTER DATE

On February 19, 2004, the SCUSD School Board unanimously voted to approve the original charter petition for the Language Academy of Sacramento (LAS). Today, the school operates as an independent, directly funded charter that is also a California non-profit 501(c)(3) public benefit corporation.

School Facility Conditions and Planned Improvements

The Language Academy of Sacramento (LAS) staff takes great efforts to ensure that the facility is clean, safe, and functional. LAS Board Facilities Committee meets monthly to monitor the progress of the school's short-term and long-term facilities goals. These goals are derived from community input including annual survey data from various constituents.

LAS campus has 28 classrooms, a multipurpose room, a gymnasium, a library, and an administrative building. The main campus was built in 1977. In conjuction with Sacramento City Unified School Disctrict (SCUSD) staff, LAS maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Moreover, the school leadership works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Research indicates that the full benefits of two-way immersion instruction do not become evident until the sixth and seventh grades (Thomas & Collier, 2002; Lindholm-Leary, 2011). Since formal instruction in English literacy typically begins in the third grade, two-way students often lag behind their peers on standardized tests in English in the primary and intermediate grades.

As students move into middle school, the gap decreases and, eventually, the achievement of two-way students surpasses that of students in English-only programs. Indeed, teachers in the two-way Spanish immersion program at LAS have found that, in the primary grades, standardized tests in Spanish have greater validity in reflecting students' knowledge and skills than standardized tests in English.

By the sixth, seventh, and eighth grades, however, students begin to outscore their counterparts in English-only programs on standardized tests in English. It is precisely for this reason that the LAS school design extends through the eighth grade.

| Subject | School 2017—18 | School 2018—19 | District 2017—18 | District 2018—19 | State 2017—18 | State 2018—19 |

| English Language Arts / Literacy (grades 3-8 and 11) | 35.0% | 43.0% | 40.0% | 43.0% | 50.0% | 50.0% |
| Mathematics (grades 3-8 and 11) | 28.0% | 36.0% | 32.0% | 32.0% | 38.0% | 39.0% |

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. Opportunities for Parental Involvement (School Year 2019—20)

Parent Council/Parent Association

The LAS parent and family engagement policy is developed annually with parent stakeholder groups via the Parent Council, Parent Association, and Governing Board. The Parent Council is the elected body representing LAS parents and the organization responsible for involving parents in the activities of the school for the purpose of strengthening the LAS community. All parents of LAS students are members of the Parent Association. The sole purpose of the Parent Association is to support the mission of the Language Academy of Sacramento. Parent Association meetings are held monthly, and are planned and led by School Leadership and the Parent Council. The Parent Council generate topics of interest from parents for these meetings. These meetings provide an opportunity for parents to communicate with school staff and get to know other parents.

Academic and artistic events are developed and organized by the administrators, the teachers, the Parent Council, and other volunteers. Examples of academic and artistic events include: Family Literacy Night, Winter Festival, Health and Science Fair, Día del Niño, Student Enrichment Presentations, as well as others. Parent Engagement Learning Initiatives:

Parent Academy Seminars are instituted in the fall addressing the need to support parents/guardians of those key student population (immigrant, English Learners, Low socioeconomic Disadvantanged, Foster/Homeless) in harnessing their knowledge about college readiness and career preparation Participation in Advisory Councils

A parent or guardian has the right to participate as a member of the English Language Advisory Committee, a parental council, school site council or Governing Board in accordance with the rules governing parent or guardian memberships in those organizations.

English Learners Advisory Committee

The Language Academy of Sacramento, in conjunction with other parent and school advisory councils, annually convenes the English Learners Advisory Committee (ELAC). The ELAC serves as the advisory body on the development of English Learners' curriculum, progress, training of teachers and attendance policies. The school works with the parents of English Learners and English speaking students to develop and adopt policies and strategies.

-LAS examples of strategies for parents and family member who are ELs, with disabilities and of migrant children:

 $\hbox{-LAS provides translation services to parents with limited English proficiency when providing information and school reports.}$

-LAS provides opportunities for the informed participation of parents and family members with disabilities by providing reasonable accommodations (sign-language interpreters, etc.) to parents and family members.

-LAS makes special accommodations will be made for communicating with families that have accessibility needs or other special needs which make corresponding with the school difficult.

-LAS provides opportunities for the informed participation of parents and family members of migratory children by meeting with parents and family members before students are away from school for an extended period of time and once the students return to school after an extended absence to help parents help their child(ren) overcome educational disruption.

LAS Multi-Tier Systems of Support (MTSS) includes both the academics and socio-emotional supports. Academic supports informed by growth assessments such as DRA (English) and EDL (Spanish) are administered several times per year to ensure that student needs are monitored and students are connected with appropriate academic tiered supports. Moreover, tiered social-emotional supports with onsite counselor and psychologist are also provided to identified students in need. Through the MTSS process, 16% of student body received a team approach analysis of individual student performance deemed at risk in FY19. Of the students served via MTSS, 64% are ELs and 70% are socio-economically disadvantaged. In FY18, 41% of students regularly served by the school counselor have IEPs. In addition to assessing 26 students for special education in the FY19, the school psychologist completed sever (FY18) and three (FY19) suicide risk assessments while also working regularly with students in need. Overall, the school psychologist served about 65 drop-ins (students/parents) in FY19, with consistent services to 14 students, including 2 with 504 for counseling. Literacy interventions are also provided to students identified via the MTSS and Intervention Progress Team (IPT) process. Furthermore, LAS has increased its classroom technology and student ratio to 1:1 from grades 2-8 in order to bridge the socio-economic gap to access digital learning. LAS continues to increase staff knowledge in utilizing Illuminate, the school's student information system, in order to improve its data collection and student identification procedures for low-income students, English learners and foster and homeless students to ensure that students can be identified and served effectively.

LCAP Federal Addendum System

Instructions, Strategy, and Alignment

Instructions

The LCAP Federal Addendum is meant to supplement the LCAP to ensure that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the Every Student Succeeds Act (ESSA).

The LCAP Federal Addendum Template must be completed and submitted to the California Department of Education (CDE) to apply for ESSA funding. LEAs are encouraged to review the LCAP Federal Addendum annually with their LCAP, as ESSA funding should be considered in yearly strategic planning.

Each provision for each program must be addressed, unless the provision is not applicable to the LEA.

In addressing these provisions, LEAs must provide a narrative that addresses the provision within the LCAP Federal Addendum Template.

Under State Priority Alignment, state priority numbers are provided to demonstrate where an ESSA provision aligns with state priorities. This is meant to assist LEAs in determining where ESSA provisions may already be addressed in the LEA's LCAP, as it demonstrates the LEA's efforts to support the state priorities.

The LEA must address the Strategy and Alignment prompts provided below. Please describe the LEA's plan for making the best use of federal ESEA resources in alignment with other federal, state, and local programs as described in the LEA's LCAP.

Strategy

Explain the LEA's strategy for using federal funds to supplement and enhance local priorities or initiatives funded with state funds, as reflected in the LEA's LCAP. This shall include describing the rationale/evidence for the selected use(s) of federal funds within the context of the LEA's broader strategy reflected in the LCAP.

Response from The Language Academy of Sacramento:

The Language Academy of Sacramento (LAS) charter mission of biliteracy, confidence, and leadership for the LAS Graduate commands a well- structured educational program. The question, "What is enduring, essential, and transferable?" serves as a guiding focus as staff meets to address the LAS Educational Program: Six Design Components – 1) Research, 2) Professional Development, 3) Curriculum Design, 4) Assessments and Accountability, 5) Instruction, and 6) Support Structures. At LAS, the student academic

and socio-emotional/leadership goals are organized via the multi-tiered system of support (MTSS) model which then delineates initiatives as part of the core day or supplemental program. Federal funding (Title 1, Title 2, and Title 4) in conjunction with state supplemental dollars to enhance the supplemental actions which are systems of support to provide strategic and intensive interventions in support of the needs of underperforming student groups (i.e. Low Socio Economic Status, English Learner, Migrant, and Foster/Homeless). The LAS LCAP illustrates the which actions under specific goals have state and federal dollars allocated side by side to enhance supplemental programs that support increase students achievement.

With reference to the #2 Professional Development, #3 Curriculum Design, and #6 Support Structures mentioned above, LAS federal funds will support the following efforts: 1) Intervention Programs (Onsite SES, Summer School), 2) Literacy Coaching and 3) Classroom libraries for enriched Readers and Writers' Workshop experience. Moreover, funds will also be directed to address parent involvement and training via Parent Academy seminars.

APPROVED BY CDE

Alignment

Describe the efforts that the LEA will take to align use of federal funds with activities funded by state and local funds and, as applicable, across different federal grant programs.

Response from The Language Academy of Sacramento:

LAS LCAP encapsulate the mission of the school. On an annual basis, the LAS community agrees on the LCAP actions based on needs assessments and data analysis with focus on areas for improvement. Stakeholder groups: parents, students, community members, staff members and school leadership via organized structures such as 1) Governing Board, 2) Parent Council, 3) Parent Association, 4) SSC, and 5) ELAC, study and review data and develop relevant actions accordingly. Also on the LAS LCAP are metrics that help in monitoring the implementation effectiveness of such actions to meet the determined needs above. Such needs are met with qualifying funding from the state and the federal monies.

Describe, in general, the nature of the programs to be conducted by the LEA's schools under sections 1114 and 1115 and, where appropriate, educational services outside such schools for children living in local institutions for neglected or delinquent children, and for neglected and delinquent children in community day school programs.

SWP: Describe SWP here, if SWP does not exist type "N/A"

The Language Academy of Sacramento (LAS) is provides Title 1 services schoolwide, including each of the identified subgroups who need assistance in meeting the challenging State academic standards. On an annual basis, site expenditures are budgeted based on year round stakeholder meetings via the School Site Council (SSC), ELAC, Parent Council, Parent Association, and LAS Board. Based on the approved AB 716 legislation, LAS utilizes its LCAP with the Federal Addendum as its School Plan for Student Achievement (SPSA), where stakeholder feedback and consequently, budgetary alignment is documented for yearly Board approval. The core of Title funding expenditures is focused on literacy building, which includes a Literacy Coach, who designs and provides research-based interventions, professional development for teachers, including strategies to ensure meaningful parent participation and implementation of technology based literacy support programs, and gathers and analyzes reading benchmark data throughout the year. Along with highly qualified teachers and the onsite coach, timely and effective assistance is provided to our most at-risk students by offering additional instructional opportunities via extended day instruction and small group instruction. Each year, the effectiveness of Title funded services and programs are evaluated for its efficacy via multiple sources: formative and benchmark assessments, implementation of researched-based instructional strategies, and stakeholder surveys, including data from the "Know and Want to Know" parent, staff, board activities.

Homeless Children and Youth Services

ESSA SECTION 1112(b)(6)

Describe the services the LEA will provide homeless children and youths, including services provided with funds reserved under Section 1113(c)(3)(A), to support the enrollment, attendance, and success of homeless children and youths, in coordination with the services the LEA is providing under the McKinney-Vento Homeless Assistance Act (42 United States Code 11301 et seq.).

Response from The Language Academy of Sacramento:

ORIGINAL response: Currently, there are no students who are homeless at LAS. Eligible students identified via enrollment process will receive support as delineated in the LAS Governing Board Homeless Student Policy. Per the stated policy, the Administrator at LAS is the district liaison for homeless students to ensure clear communication line on strategies to support homeless students in attaining full and equal opportunity to enroll and thrive at LAS.

REVISED response: The LAS Board Approved Homeless Student Policy is designed to ensure the proper: 1) identification, 2) enrollment, and 3) retention of children in homeless situations, including addressing barriers that challenge their access to quality education. Upon enrollment, families are required to complete a document regarding primary residence. Once student is identified, the LAS Administrator Homeless Liaison, coordinates on-site and off-site agencies to provide support as needed. In the past three years, LAS homeless student population has ranged between 0.6 to 1.4 percent; in some cases, LAS has needed to get clarification regarding the idea of shared housing due "to economic hardship" versus cultural practice. (Note: This statement is a correction of the first sentence from the original response). Every student identified as homeless is immediately provided full access to all student programs and services, including academic interventions, counseling, and participation in the Multi-Tiered System of Support (MTSS) process as well as, if needed, the special education identification process for homeless students with disabilities. The LAS reservation funds for homeless education historically has been for an amount to help families with temporary transportation needs such as purchasing bus passes. Moreover, LAS has partnerships with many community resources where, if needed, items of clothing, particularly school uniforms, PE shoes, personal school supplies such as backpacks and notebooks, eyeglasses, hearing aids, and food, are donated to families in need. LAS is committed to ensuring that homeless students receive the support they need from the moment of enrollment to their daily school attendance and academic success.

LCAP Federal Addendum System

Title II, Part A

Every Student Succeeds Act (ESSA) Provisions Not Addressed in the LCAP

For the majority of LEAs, the ESSA provisions identified on this page do not align with state priorities. **Each provision identified on this page must be addressed**, unless the provision is not applicable to the LEA. If the provision is not applicable to the LEA, respond with "N/A".

The CDE emphasizes that the LCAP Federal Addendum should not drive LCAP development. ESSA funds are supplemental to state funds, just as the LCAP Federal Addendum supplements your LCAP. LEAs are encouraged to integrate their ESSA funds into their LCAP development as much as possible to promote strategic planning of all resources; however, this is not a requirement. In reviewing the LCAP Federal Addendum, CDE staff will evaluate the LEA's responses to the ESSA plan provisions. There is no standard length for the responses. LEAs will be asked to clarify insufficient responses during the review process.

To address these provisions, provide a narrative addressing each provision in the appropriate field below:

Professional Growth and Improvement

ESSA SECTION 2102(b)(2)(B)

Provide a description of the LEA's systems of professional growth and improvement, such as induction for teachers, principals, or other school leaders and opportunities for building the capacity of teachers and opportunities to develop meaningful teacher leadership.

Response from The Language Academy of Sacramento:

The foundation of the LAS dual language immersion program's effectiveness is teacher quality. Because LAS is a highly specialized educational design not only do all teaching staff need to be highly qualified but also need to be highly versed in the research of effective dual language immersion schools. Consequently, as stated in the LAS Six Program Design, #2 Professional Development, is the second element of all four LAS mission goals. LAS serves as a laboratory school of students teachers for the local universities: CSU Sacramento and UC Davis. Most LAS teachers come from these two induction programs. Once hired as teaching staff, new teachers are assigned a BTSA teacher. Moreover, new teachers are placed in grade level teams in which there are seasoned teachers who guide and mentor them in their beginning years. Lastly, LAS has a literacy coach who provides a multi-tiered support for teachers depending on their identified needs, including, building exemplary classroom libraries for effective implementation of language instruction in English and Spanish. A quality professional development plan is an essential component of an effective educational program. Teachers at LAS participate in professional development and articulation meetings each week to analyze data and evaluate academic progress. Throughout the school year, teachers are provided with extended professional development time in order to meet, reflect, study, and

plan. In addition to participating in regularly scheduled on-site professional development, teachers and staff are encouraged to attend professional development opportunities sponsored by other educational institutions.

With recent educational shifts related to the CCSS, staff numbers have participated in professional development offered by the Sacramento County Office of Education (SCOE), the Northern California Literacy Consortium, as well as others. In addition to these opportunities, the following are areas that have been the focus of professional development at LAS during the last five years: Implementation of core curriculum (MacMillan/McGraw Hill's Treasures and Pearson Envision); Expository Reading and Writing Course (ERWC) to support CCSS Language Arts; Math CCSS implementation best practices; Systematic Instruction in Phonological Awareness, Phonics, and Sight Words (SIPPS); Spanish Language Development (SLD); Strategies for improving Executive Function- R.O.P.E.S. in the classroom; as well as others. Visitations to other classrooms at LAS and model schools are encouraged for both teachers and administrators. The staff at the Language Academy of Sacramento strives to provide the best two-way Spanish immersion education possible to its students. All classroom teachers are highly qualified in accordance with the No Child Left Behind Act (NCLB). The majority of classroom teachers hold a Crosscultural Language and Academic Development (CLAD), a Bilingual/Cross-cultural Language and Academic Development (BCLAD) or an equivalent credential. In addition, teachers and administrators continue to educate themselves about current research, theory, and practice, as well as issues pertinent to charter schools, by attending conferences and reading articles in academic journals. About 32% of staff members have obtained or are pursuing advanced degrees in education.

Prioritizing Funding

ESSA SECTION 2102(b)(2)(C)

Provide a description of how the LEA will prioritize funds to schools served by the agency that are implementing comprehensive support and improvement activities and targeted support and improvement activities under Section 1111(d) and have the highest percentage of children counted under Section 1124(c).

Response from The Language Academy of Sacramento:

LAS priority begins with the first element of the LAS Six Program Design: RESEARCH. Through the Curriculum and Design Team (CDT) in conjunction with school leadership, LAS analyzes needs assessment results that dictates professional development planning, training in assessments and curricula that guide differentiation and intervention. LAS works closely with Sacramento County Office of Education (SCOE) in professional development planning and implementation. Overall, LAS staff seeks learning that address various aspects of the MTSS academic and behavior tiers, particularly as they pertain to students at-risk and ensuring their success in school.

APPROVED BY CDE

Data and Ongoing Consultation to Support Continuous Improvement

ESSA SECTION 2102(b)(2)(D)

Provide a description of how the LEA will use data and ongoing consultation described in Section 2102(b)(3) to continually update and improve activities supported under this part.

Response from The Language Academy of Sacramento:

Annually, LAS stakeholders review academic growth and stakeholder survey results via the Governing Board, Parent Council, Parent Association, School Site Council, ELAC, CDT Committee and make agreements on the upcoming year's priorities. LAS disaggregate data per significant subgroups to ensure safe and effective learning environments with the most highly qualified instructor. LAS LCAP/SPSA illustrates the internal accountability and external accountability metrics continually monitored to gauge overall student performance in all aspects of the charter school's mission: BILITERACY, CONFIDENCE/LIFE SKILLS, and LEADERSHIP/CRITICAL THINKING.

LEAs will be asked to clarify insufficient responses during the review process.

Title IV, Part A Activities and Programs

ESSA SECTION 4106(e)(1)

Describe the activities and programming that the LEA, or consortium of such agencies, will carry out under Subpart 1, including a description of:

- A. any partnership with an institution of higher education, business, nonprofit organization, community-based organization, or other public or private entity with a demonstrated record of success in implementing activities under this subpart;
- B. if applicable, how funds will be used for activities related to supporting well-rounded education under Section 4107;
- C. if applicable, how funds will be used for activities related to supporting safe and healthy students under Section 4108;
- D. if applicable, how funds will be used for activities related to supporting the effective use of technology in schools under Section 4109; and
- E. the program objectives and intended outcomes for activities under Subpart 1, and how the LEA, or consortium of such agencies, will periodically evaluate the effectiveness of the activities carried out under this section based on such objectives and outcomes.

Response from The Language Academy of Sacramento:

ORIGINAL Response: LAS applied for Title IV for the first time this year. The additional funds will be directed to support safe and healthy students. As described in the LAS LCAP, there is a need to provide additional mental health support for students as well as parents/guardians in learning how to effectively

parent students with mental health challenge. Moreover, LAS will continue to ensure that technology use is set up in the most effective way to ensure learning is enriched in all subjects via digital research and reporting.

REVISED Response: LAS community's LCAP and Federal Addendum work has definitely become more indepth with each passing year both at the participation level and the collective knowledge level. LAS continued its structure from the previous years and created an LCAP/Federal Addendum Advisory group in the fall composed of members from the Parent Council and Parent Association groups as well as representatives from the English Language Advisory Council (ELAC). This group took the lead of meeting and learning 5 Key Learning Points to share, discuss, and problem solve with various stakeholders during stakeholder meetings. After each session, participants completed "What I Know" and "What I Want to Know" form. Data from these forms was presented at board meetings has provided the board discussion regarding LCAP and Federal Addendum updates as well as charter renewal work.

The milestones of LAS LCAP and Federal Addendum work for 2017-19 pertinent to Title IV include goals specific to climate and culture of learning, more specifically creating a safe and healthy student community. The LAS School Climate Team has designed a 360 approach to addressing this need, starting with partnering with and outside organization, Circle Up Education, LLC., where experts facilitated several staff professional development on how to create a safe socioemotional responsive school- starting with the teaching staff, support staff, and families. Concurrently, the team also designed trainings regarding issues such as self-harm and parent/staff trainings in mental health first aide. Effectiveness of these trainings is evaluated via stakeholder surveys. At the student level, through the school's established MTSS process, students who need additional socioemotional support are identified. Those who need mental health support are connected with the school's psychologist and/or counselor. Through a coordinated staff effort and via an integrated student information system, students in need are monitored throughout the year for progress.

Language Academy of Sacramento (LAS) English Learner Reclassification Policy and Procedures (<u>Amendment Proposal</u> v011720<u>Draft 090519</u>)

English Learner (EL) student reclassification policy and procedures are based on the four criteria set forth in the State Board of Education's Reclassification Guidelines (Education Code 313b).

RECLASSIFICATION CRITERIA

Students initially identified as English Learners (ELs) are reclassified as Fluent English Proficient (RFEP) when they meet the following requirements from these four criteria:

- 1) Overall English proficiency level of 4 on the English Language Proficiency Assessments for California (ELPAC)
- 2) Comparison of Performance in Basic Skills
- 3) Teacher Evaluation
- 4) Parent Notification

All English learners' progress will be analyzed at least once annually. Those recommended for reclassification will be reviewed by a team of Curriculum Design Team (CDT) members or designees.

- 1) Overall English proficiency level of 4 on the English Language Proficiency Assessments for California (ELPAC)
 - Grades K-8 ELs may be considered for reclassification if they have an OVERALL ELPAC summative proficiency level of 4 (Well-Developed).

2) Comparison of Performance of Basic Skills

- Grades K-3 students may be considered for reclassification if they pass the have a score of 3 or higher in their end of the year Language Academy of Sacramento reading benchmark assessment (Evaluación del desarrollo de la lectura (EDL)/LAS English Literacy Skills Assessment derived from Developmental Reading Assessment (DRA) Development Reading Assessment (DRA)
- Grade 4-8 students may be considered for reclassification if:
 - 1. They have a score of 3 or higher in their end of the year EDL/DRA assessments orand
- 2. They have scale scores that meet the Grade Level Academic Criterion Midpoint Score for CAASPP in English Language Arts (ELA). Note: In cases of qualifying score discrepancies, the CAASPP passing performance score supersedes the DRA assessments

results.

| Current Grade Level | Grade when CAASPP test was administered | CAASPP ELA Midpoint Scale Score of Standard Nearly Met and Standard Met |
|------------------------|---|--|
| 4 | 3 | 2400+ |

Formatted: Font: 14 pt, Bold

| 5 | 4 | 2445+ |
|---------------|---|-------|
| 6 | 5 | 2472+ |
| 7 | 6 | 2494+ |
| 8 | 7 | 2516+ |
| High School 9 | 8 | 2527+ |

3) Teacher Evaluation

Teacher may recommend reclassification based on:

- English Language Development (ELD) teacher cClassroom observations validating the student's range of performance in basic skills, including oral English language proficiency (i.e., comparable to native English speakers)
- Evidence such as, but not limited to:
 - -Grades K-5: End of year report card grade of 3 (Consistently Meets Standards) or higher <u>on the majority</u> of Language Arts Standards (Grades 3-5: English Language Arts: <u>Grades K-2: Excellent or Satisfactory mark in English Language Development: ELD</u>)
 - -Grades 6-8: End of year report card grade of C (Meeting Standard) or higher in English Language Arts

Note that incurred deficits in motivation and academic success unrelated to English language proficiency do not preclude a student from reclassification.

4) Parent Notification

Families of ELs being considered for reclassification will be notified regarding their rights to:

- Participate in the reclassification process
- Have an opportunity for a face-to-face meeting with their child's teacher(s) to discuss reclassification.

ELL Students with Disabilities

English learners with identified disabilities can be reclassified at an IEP meeting that includes a credentialed person with a B/CLAD or SDAIE training. Special needs students not able to meet the reclassification criteria, as a result of their disability, may be recommended by the IEP Team for reclassification based on alternative criteria.

Reclassification:

- The students who meet the above four criteria will be designated as Reclassified Fluent English Proficient (RFEP).
- Parents/guardians will be notified of the reclassification status of their student.
- School records will be updated.
- Reclassified students will be monitored for four years by the Curriculum Design Team
 (CDT) members or designee(s) and the students' English Language Arts (ELA) teacher at

least once per year after reclassification to ensure they are making adequate academic progress. Students will be provided *interventions* as needed.

Monitoring RFEP students for four years after reclassification is in accordance with the existing California regulations and the federal Every Student Succeeds Act (ESSA).

Draft 011720

Academia de Idiomas de Sacramento (LAS)

Póliza y procedimientos de Reclasificación de los Aprendices de inglés (<u>Propuesta de enmienda</u> v011720092719)

La póliza y los procedimientos de reclasificación de los estudiantes que aprenden inglés (ELL) se basan en los cuatro criterios establecidos en las Pautas de reclasificación de la Mesa de Educación del Estado (Código de Educación 313b).

CRITERIOS DE RECLASIFIACIÓN

Los estudiantes inicialmente identificados como Aprendices de inglés (EL, por sus siglas en inglés) se reclasifican como Reclasificado Proficiente en el Inglés (RFEP, por sus siglas en inglés) cuando cumplen con los siguientes requisitos de estos cuatro criterios:

- 1) Nivel general de dominio del inglés de 4 en las Pruebas de Suficiencia en el Idioma Inglés de California (ELPAC)
- 2) Comparación de desempeño en habilidades básicas
- 3) Evaluación del maestro(a)
- 4) Notificación a los padres

El progreso de todos los Aprendices de inglés se analizará al menos una vez al año. Aquellos recomendados para la reclasificación serán revisados por un equipo de miembros del Equipo de Diseño Curricular (CDT, por sus siglas en inglés) o personas designadas.

- 1) Nivel general de dominio del inglés de 4 en las Pruebas de Suficiencia en el Idioma Inglés de California (ELPAC)
- Los estudiantes de los grados K-8 pueden ser considerados para reclasificación si tienen un nivel de competencia sumativo general en ELPAC de 4 (Bien desarrollado).

2) Comparación de desempeño en habilidades básicas

- Los estudiantes de los grados K-3 pueden ser considerados para reclasificación si pasan latienen una calificación de 3 o más en su evaluación de punto de referencia de la Academia de Idiomas de Sacramento de Evaluación del desarrollo de la lectura (EDL) / Evaluación de Habilidades de Lectura derivado del Development Reading Assessment (DRA) de fin de año
- Los estudiantes de los grados 4-8 pueden ser considerados para reclasificación si:
 - 1. Tienen una puntuación de 3 o superior en sus evaluaciones EDL/DRA de fin de año oy
 - 2. Tienen calificaciones de escala que cumplen con el criterio académico de punto medio de grado para CAASPP en Artes del idioma inglés (ELA). Nota: En casos de discrepancias en el puntaje de calificación, el puntaje de desempeño aprobatorio de CAASPP reemplaza los resultados de las evaluaciones de DRA.

| Nivel de grado actual | Grado cuando se administró el examen CAASPP | Calificación de escala de punto medio de CAASPP ELA Estándar Casi Cumplido y Estándar Cumplido |
|--------------------------|---|---|
| 4 | 3 | 2400+ |
| 5 | 4 | 2445+ |
| 6 | 5 | 2472+ |
| 7 | 6 | 2494+ |
| 8 | 7 | 2516+ |
| Preparatoria 9 | 8 | 2527+ |

3) Evaluación del maestro(a)

El maestro(a) puede recomendar la reclasificación basada en:

- Observaciones <u>del maestro(a) de Desarrollo del Idioma Inglés (ELD)</u> en el salón que validan el rango de rendimiento del estudiante en habilidades básicas, incluida la competencia oral en inglés (es decir, comparable a los hablantes nativos de inglés)
- Evidencia como, pero no limitado a:
 - -Grados K-5: Calificación de 3 en Boleta de calificaciones de fin de año (Cumple constantemente con los estándares) o superior en la mayoría de estándares de Artes del lenguaje (Grados 3-5: Artes del idioma inglés): <u>Grados K-2: Nota excelente o satisfactoria en el desarrollo del idioma inglés: ELD)</u>
 - -Grados 6-8: Calificaciones de C en Boleta de calificaciones de fin de año (Cumpliendo estándar) o superior en Artes del idioma inglés

Tenga en cuenta que los déficits incurridos en la motivación y el éxito académico no relacionados con el dominio del idioma inglés no impiden que un estudiante sea reclasificado.

4) Notificación a los padres

Se notificará a las familias de aprendices de inglés que están siendo considerados para la reclasificación con respecto a sus derechos a:

- Participar en el proceso de reclasificación
- Brindar una oportunidad para una reunión en persona con el padre o tutor para hablar sobre la reclasificación.

Estudiantes ELL con discapacidades

Los aprendices de inglés con discapacidades identificadas pueden ser reclasificados en una reunión de IEP que incluye a una persona acreditada con una capacitación B/CLAD o SDAIE. Los estudiantes con necesidades especiales que no puedan cumplir con los criterios de reclasificación, como resultado de su discapacidad, pueden ser recomendados por el equipo del IEP para la reclasificación basada en criterios alternativos.

Reclasificación:

- Los estudiantes que cumplan con los cuatro criterios anteriores serán Reclasificados Proficiente en el Inglés (RFEP).
- Los padres/tutores serán notificados del estado de reclasificación de su estudiante.
- Los registros escolares serán actualizados.
- Los estudiantes reclasificados serán supervisados durante cuatro años por los miembros de CDT o personas designadas y el maestro de los estudiantes al menos una vez al año después de la reclasificación para garantizar que estén logrando el progreso académico adecuado. Los estudiantes recibirán *intervenciones* según sea necesario.

La supervisión de los estudiantes durante cuatro años después de la reclasificación se realiza de acuerdo con las normas vigentes de California y la Ley Federal Cada Estudiante Triunfa (ESSA, por sus siglas en inglés).
