LANGUAGE ACADEMY OF SACRAMENTO

Message from our Executive Director

Language Academy Families,

I would like to thank all families that recently completed the Intent to Return Survey, as well as those that attended our recent informational meeting where we provided details about the options currently available to families and the return to campus timeline. For those that were not able to attend, please visit the LAS website [COVID-19 Dashboard](#) where you can receive updates and access the presentation that was shared. The responses provided will help us to better prepare to support our students that are planning to return to campus and those that will remain in extended distance learning.

Please join us for our Parent Association meeting that will take place on Wednesday, March 10th at 5:30pm. The [agenda](#) will provide time for families to learn about the proposed COVID-19 testing of students that will be returning to campus, a series of Anti-Racism workshops aimed at parents, as well as other important items.

For those that are unable to join us at the Parent Association meeting this month, please look forward to receiving more information about these learning opportunities and take note of the Anti-Racism workshop dates: March 24, April 28, May 19 & June 16. Thank you!

Eduardo de León
Executive Director

Message from Parent Council

Thank you LAS Families! We had a successful Friendship and Kindness event with about half of our families participating! 10 of the participating families won a \$50 Target gift card! Congratulations! If you missed the event please stop by the office to pick up the specially ordered scarf for your child with the LAS logo. Go Jaguares!

Attention 6th Grade Parents! (repeat)

As we prepare for the 21/22 school year, please be informed that California law requires students to have a TDAP booster immunization prior to entering the 7th grade. If your child has already received this immunization, please provide the LAS office with an updated record as soon as possible. If your child has not yet received it, please begin the process now so it does not interfere with your child's education.

State Testing

Each year, students in grades three through eight and high school participate in the California Assessment of Student Performance and Progress (CAASPP). Please visit the LAS website for more information on these mandated statewide tests.

Please note, if your child is using a personal device for Distance Learning, the state testing secure browser will need to be downloaded on their device. You can find instructions on how to download the secure browser on our [website](#).
