ATTENTION 6TH GRADE PARENTS! (REPEAT)

As we prepare for the 22/23 school year, please be informed that California law requires students to have a TDAP booster immunization prior to entering the 7th grade. If your child has already received this immunization, please provide the LAS office with an updated record as soon as possible. If your child has not yet received it, please begin the process now so it does not interfere with your child's education.
